VERSION	DATE	COMMENTS
1.0	18 FEB 2026	Created at the end of the ALP competition
2.0	20 FEB 2026	Updated Draw List of Women's Downhill 2nd training with the correct report, revised Draw List of Women’s Slalom and Results of Women’s Team Combined

Competition Format Rules

Formato e regole gara / Format et règlement des compétitions

As of FRI 30 JAN 2026

Olympic Competition Format

The Olympic Winter Games Milano Cortina 2026 Alpine skiing competitions will be held in Bormio for the men's events and Cortina d'Ampezzo for the women's events.

There will be 10 medal events:

Men's: downhill (DH), super-G (SG), giant slalom (GS), slalom (SL) and team combined (TC)

Women's: downhill (DH), super-G (SG), giant slalom (GS), slalom (SL) and team combined (TC)

All Alpine skiing events are run in an against-the-clock format, with competitors/teams attempting to cross the finish line within the fastest time. Races are timed to 0.01 of a second.

The formats for the men's and women's Alpine skiing competitions are identical.

Downhill and super-G

The downhill and super-G are referred to as the speed events. Competitors generate high speeds because the course is longer, steeper and with greater distances between the gates.

Competition for both events comprises a single run. No tiebreak rules or procedures exist. Competitors who have identical finish times share their rank, but they are ordered by descending bib numbers.

Giant slalom and slalom

Giant slalom and slalom are referred to as the technical events, as the courses have more gates, and therefore more turns.

Competition for both events comprises two runs and the competitor with the fastest total time wins. No tie break rules or procedures exist. Competitors who have identical total times share their rank, but they are ordered by descending bib numbers.

Team combined

The teams are formed by two athletes from the same gender and NOC. The competitors that make up the team must be named before the draw. No changes can be made after the draw.

Each competitor is allowed to start in one run only.

The team combined event consists of a downhill run and a single slalom run. Both runs are held on the same day.

The order is usually downhill followed by slalom, but may be reversed.

Differences between the FIS World Championships and the Olympic Winter Games

The mixed team parallel event is included in the FIS World Championships.

Changes since the Olympic Winter Games Beijing 2022

The men's and women's alpine combined events have been replaced by the men's and women's team combined events. The mixed team parallel event has been removed from the programme.

Competition Format Rules

Formato e regole gara / Format et règlement des compétitions

As of FRI 30 JAN 2026

Sport Rules and Procedures

Enrolment

The competitors are enrolled in each event according to their event World Cup Start List (WCSL) points and International Ski and Snowboard Federation (FIS) points (see FIS World Cup rules on the FIS website).

In the technical events, they are grouped 1-7, 8-15, 16 and up.

In the speed events, they are grouped 1-10, 11-20, 21-30, 31 and up.

Start list for SL, GS

First group (1-15): The competitors ranked 1-7 will be drawn into start numbers 1-7. The competitors ranked 8-15 will be drawn into start numbers 8-15.

All remaining competitors will have a start number according to their enrolment placing.

Start list for DH, DH trainings, SG and TC

First group (1-10): The competitors ranked 1-10 will be drawn into start numbers 6-15

The second group competitors (11-20) will be drawn into start numbers 1-5 and 16-20

The third group (21-30) will be drawn into start numbers 21-30. If there are less than 30 competitors with WCSL points, the group will be re-defined accordingly, and the draw will be limited to these athletes. The athletes with only FIS points (no WCSL) will follow accordingly.

All remaining competitors will have a start number according to their enrolment placing

If run one of the team combined event is a slalom, the procedure for a slalom event will be used

Penalties/disqualification Rules

There are no time penalties.

Disqualification rules are defined in the FIS rules. A competitor will be disqualified if he/she:

Does not pass through a gate correctly or does not start within the defined time limits

Does not follow the equipment regulations

Participates in the race under false pretences

Either jeopardises the security of persons or property or actually causes injury or damage

Tests positive for use of prohibited substances

The disqualification of each competitor is decided by the jury, or by the International Olympic Committee (IOC) and FIS for disqualification due to a positive doping test.

Team captains' meetings and draws

The team captains' meetings (TCMs) will take place before each race day (including official training days).

OMEGA Deloitte.

Competition Format Rules

Formato e regole gara / Format et règlement des compétitions

As of FRI 30 JAN 2026

Protests/appeals

Protests must be submitted in writing in English within 15 minutes of the posting of the unofficial results, along with a payment of 100 Swiss francs, in accordance with FIS rules. The competition jury will handle protests in accordance with FIS rules and regulations.

Competition equipment

All equipment and accessories must conform to FIS and IOC rules. Equipment inspection is carried out according to FIS rules.

Sport Terminology

Terminologia sportiva / Terminologie du sport

As of FRI 30 JAN 2026

Term	Definition
Competition course and technical parts	A competition course is a designated area on a specific ski-slope, described by the respective FIS homologation. Start and finish installations, television towers, measuring equipment, sponsor advertising equipment, etc. are necessary items for a competition and are part of the competition course.
Correct passage	A gate has been passed correctly when both the competitor's ski tips and both feet have crossed the gate line. If a competitor loses a ski, without committing a fault, e.g. not by straddling a pole, then the tip of the remaining ski and both feet must have crossed the gate line. The gate line in downhill, giant slalom and super-G, where a gate consists of two pairs of poles holding gate panels between them, is the shortest imaginary line between the turning pole and the outside gate at snow level. The gate line in slalom is the shortest imaginary line between the turning pole and the outside pole. Where there is no outside pole, both feet and ski tips must have passed the turning pole on the same side, following the normal race line of the slalom crossing the imaginary line from turning pole to turning pole. If a competitor removes a pole from its vertical position before both the competitor's ski tips and both feet have passed the gate line, the ski tips and feet must still pass the original gate line (marks in the snow). This is also valid in the case of a missing turning pole (or gate).
Crossing of the Finish Line and recording of the times	The finish line must be crossed: - on both skis or - on one ski or - with both feet in case of a fall between the last gate and the finish line. In this case the time is taken when any part of the competitor's body stops the timekeeping system.
Downhill and super-G at the Olympic Winter Games	Alpine men's and women's downhill and super-G competitions should be carried out on independent competition courses, but start and finish installations and short sections of the courses can be used for both genders.
FIS code	A unique numeric code by FIS discipline assigned by FIS to identify each athlete.
FIS Points List	FIS ranking system for all FIS registered competitors.
Flex poles	Flex poles are fitted with a bending device. They must conform to the FIS specifications.
Forerunner	A skier who has signed the FIS Athletes Declaration, nominated by the organising committee to ski the course immediately before the start. The nominated forerunners should have the skiing ability to ski the course in a racing manner. The times of the forerunners should not be published.
Gate judging	A sufficient number of gate judges should be present. For the Stubby sections it is recommended to have one gate judge for every two gates.
Gates and poles	Gates A slalom gate consists of two poles or where there is no outside pole the gate will consist of a turning pole. Consecutive gates must alternate in blue and red. A gate must have a minimum width of 4m and a maximum of 6m.

Sport Terminology

Terminologia sportiva / Terminologie du sport

As of FRI 30 JAN 2026

Term	Definition
	The distance from turning pole to turning pole of successive gates must not be less than 6m and not more than 13m. Slalom poles Slalom poles must be coloured red or blue. The turning pole must be a flex-pole. Spare poles The Chief of Course Equipment is responsible for the availability and correct placing of enough spare poles. The poles are to be placed so that the competitors are not mislead by them.
General characteristics of the downhill and super-G courses	Six characters/components of technique, courage, speed, risk, physical condition and judgement. It must be possible to ski the downhill and super-G course from the start to the finish with different speeds. Athletes adapt speed and performance to their ski technical skills and individual self-responsible judgement.
General characteristics of the giant slalom courses	The terrain should preferably be undulating and hilly. The competition course should normally have a width of approximately 40 m.
General characteristics of the slalom course	The course must be set on slopes with a gradient of approximately 33% to 45%. It may even be below approximately 33%, but may exceed approximately 52% only in very short parts of the course. The ideal slalom course, taking into consideration the drop and the gradient specified previously, must include a series of turns designed to allow the competitors to combine speed with neat execution and precision of turns.
Giant slalom and super-G	In giant slalom and super-G, two pairs of slalom poles are used, each pair carrying a gate panel between them. The gate panels should be fixed or tied so they should tear or break away from one pole. The turning pole(s) must be flex-pole(s).
Helmets	In all events all competitors and forerunners are obliged to wear crash helmets that conform to the specifications for competition equipment.
Homologation	All competitions must take place on FIS-approved (homologated) competition courses.
Interdiction to continue after a gate fault	If competitors miss a gate, they must no longer continue through further gates.
Jury	The Jury will make a decision on any correctly lodged protest. The Jury is responsible for the conduct of the events. The Jury members are: - FIS Technical Delegate - Referee - Assistant Referee - Chief of Race - Start Referee (WSC and OWG only) - Finish Referee (WSC and OWG only)
Marking of the course and terrain	In downhill and in super-G the course should be marked using: - on the inside and/or outside of the racing line before and after the gate - small pine needles or similar material spread on the course and/or

Term	Definition
	- coloured dye used vertically from gate to gate as well as horizontally across the course or the inside and/or outside of the racing line before and after the gate notably on the approaches indicating changes in terrain, jumps, etc.
Numbering the gates	The gates must be numbered from top to bottom of the course. Start and Finish are not counted (to check that the course, timing systems, etc. are working).
Rigid poles	Must be round, uniform poles without a bending device and should be of the same material and dimensions as the flex pole. Rigid poles may be used for the outside gate or pole and in exceptional cases (e.g. high wind) as the outside pole of the turning gate.
Ski brakes	For competitions and official training only skis with ski brakes must be used. Competitors without ski brakes are not allowed to start.
Start clock	For downhill, super-G and giant slalom, the use of a start clock that provides at least an acoustic countdown signal on the fixed start interval as prescribed by the Jury should be used as an aid to race management.
Start numbers (Bibs)	All competitors must wear the official start numbers (bibs) during the race.
Start procedure	No official or attendant who could possibly give an advantage to or disturb the starting competitors can be behind them. All outside help is forbidden. By order of the Starter, competitors must plant their poles in front of the start line, or where indicated. The Starter must not touch the competitor at the start. Pushing off from the start posts or other aids is forbidden and competitors must start only with the help of their ski poles.
Start signals	Ten seconds before the start, the starter will tell each competitor "10 seconds". Five seconds before the start, the starter should count "5, 4, 3, 2, 1" and then give the start command "Go - Partez - Los".
The Chief of Course	The Chief of Course is responsible for the preparation of the courses in accordance with the directives and decisions of the Jury. The Chief of Course must be familiar with local snow conditions on the terrain concerned.
The Chief of Race	The Chief of Race directs all preparation of the competition and supervises the activities in the technical area. The Chief of Race summons meetings for consideration of technical questions and leads the team captains' meetings after consultation with the FIS Technical Delegate.
The Finish Referee	The Finish Referee must remain at the finish from the beginning of the official inspection time until the end of a training/event to enforce regulations, supervise the finish controller, the timing and the crowd control in the finish area, report the names of the competitors who did not finish.
The FIS Technical Delegate	The FIS Technical Delegate makes sure that the rules and directions of the FIS are followed, that the event runs smoothly and the FIS Technical Delegate acts as the official representative of the FIS.
The Referees	Start Referee

Sport Terminology

Terminologia sportiva / Terminologie du sport

As of FRI 30 JAN 2026

Term	Definition
	The Start Referee must remain at the start from the beginning of the official inspection time and until the end of a training/event to enforce regulations, determine late and false starts, report the names of the competitors who did not start. Referee and the Assistant Referee The Referee and the Assistant Referee work very closely with the FIS Technical Delegate. The Referee supervises the draw. - At the end of the first run, and again at the end of the race, the Referee will receive the Start and Finish Referees' reports, and any other official reports regarding breach of rules and disqualifications. - Checks, signs and posts the Referee's Report on the official notice board at the end of each run, and at the end of the race, including a list of disqualified competitors, the gate numbers where the faults occurred, the name of the relevant gate judge or judges, and the exact time of the posting. - Sends a report to the FIS should unusual circumstances arise or in the event of a serious difference of opinion among the Jury members or in the case of severe injury to a competitor.
The Start Area	The Start Area must be closed off to everyone except the starting competitor, accompanied by only one trainer and the start officials. The Start Area must be protected appropriately against inclement weather. A special roped off area must be provided for trainers, team captains, service personnel, etc., in which they may take care of the waiting competitors without being interrupted by the public. An adequate shelter must be prepared for the competitors waiting for the call to start. The competitor enters the defined start hut with both skis attached without any covers on them.
The Start Ramp	The Start Ramp should be prepared in such a way that the competitors can stand relaxed on the starting line and can quickly reach full speed after leaving the start.
Timing	Hand timing Manual (hand) timing, completely separate and independent of the electronic timing, must be used for all competitions listed in the FIS Calendar. Stopwatches or hand operated battery powered timers that are installed at both the Start and the Finish and capable of expressing the time of day to at least 1/100th (0.01) precision qualify as proper hand timing devices. They must be synchronised prior to the start of the first run, with the same time-of-day as system A and system B (see art. 611.2.1). Printed records, either automatic or hand-written, of recorded hand times must be immediately available at the start and at the finish Photocells For all events, there must be two photocell system(s) homologated by the FIS installed at the finish line. One is connected to system A. The other is connected to system B. Procedures and regulations for start gates and photocells are found in the FIS Timing Booklet. Photo finish

Sport Terminology

Term	Definition
	A photo finish system may be used to determine a competitor's finish time. In case of a failure of system "A" and "B", and where the competition has been recorded by the photo finish system, this time must be used in place of hand-timing without any correction. The photo finish time is taken when any part of the competitor's body first crosses the finish line. This time must be used in place of hand-timing without any correction.
Vertical drop	Downhill For the Olympic Winter Games: - Men's Courses: 800m - 1,100m - Women's Courses: 450m - 800m Super-G For the Olympic Winter Games: - Men's Courses: 400m - 650m - Women's Courses: 400m - 600m The terrain should be undulating and hilly if possible. The competition course should normally have a width of approximately 30m. Giant slalom For the Olympic Winter Games: - Men's Courses: 300m - 450m - Women's Courses: 300m - 400m Slalom For the Olympic Winter Games: - Men's Courses: 180m - 220m - Women's Courses: 140m - 220m
